MADE IN U. S. A. All Sterno® Gel Hand Sanitizer is FDA registered and is manufactured at our FDA compliant facility in Memphis, TN. As the trusted brand for over 100 years, Sterno® recognizes the importance of safety and efficacy, and unlike many other brands, we use domestically sourced raw materials and strictly comply to manufacturing process requirements outlined by the FDA. We also work with US-based 3rd Party Laboratories to conduct efficacy testing in accordance with ASTM to validate the Sterno® quality and performance standards.

Sterno® Is Committed

to being the **Partner of Choice** for Hand Sanitizer through excellence in customer service and a wide range of high-quality, performance **Hand Sanitizer solutions.**
