Dual Edge
2-in-1

All The Knife
You Need!

DEXSTEEL®

A proprietary high-carbon, high-alloy American stainless steel ensures a sharp, long-lasting edge.

DEXGRIP™

Comfortable, soft, non-slip handle accommodates any hand and finger position for greater control and precision

DEXFLEX™

"Just Right" flexibility ensures that the blade glides over bones and enables easy separation while skinning.

Step 1

Penetrate scales with upper Tiger Edge blade designed for tougher surfaces, while preserving the fillet blade's sharpness.

Step 2

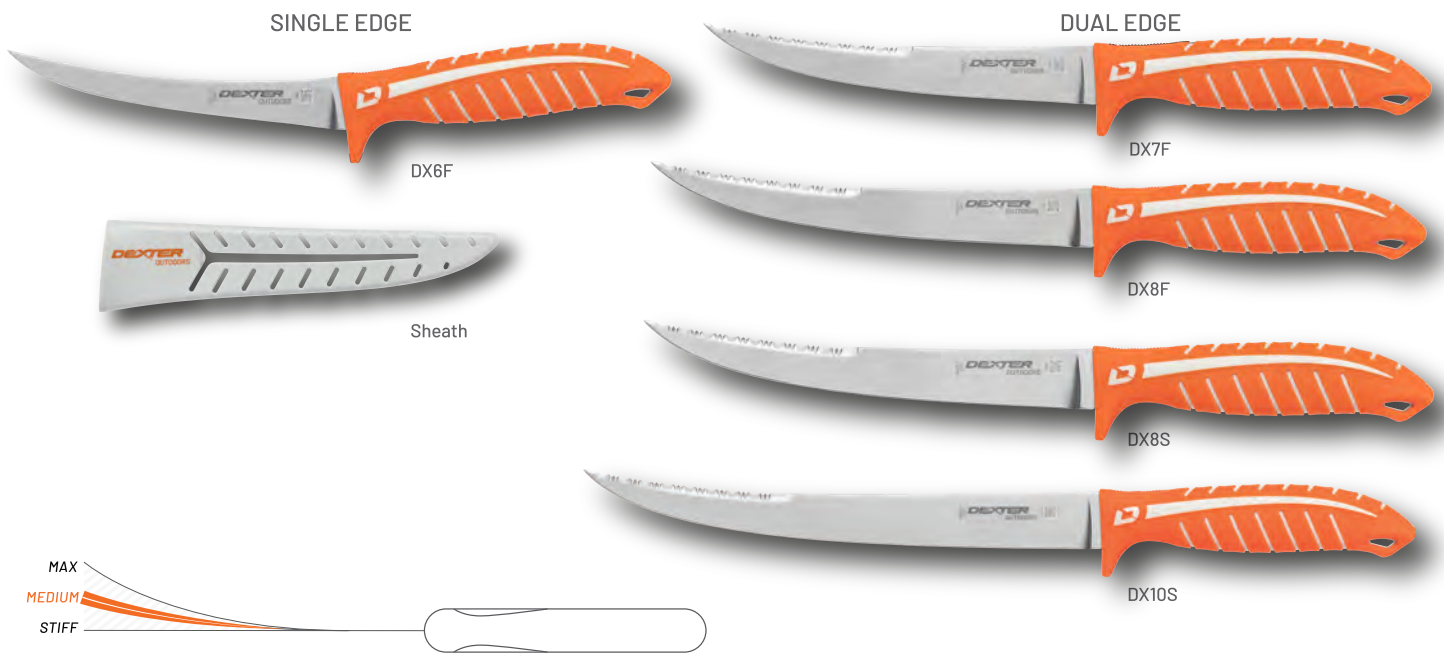

Flip the handle, and fillet with lower blade designed for precision work.
