

Kibarro

BY EASTERN TABLETOP

Beautiful *inside* and out.

THE NEW OUTDOOR COLLECTION

The Future of Hospitality

Adapting to a new era of fluid dining experiences.

Kibarro is conceived as the **quiet meeting point** between worlds.

45%

Growth in Outdoor Dining

Hospitality venues are increasingly expanding their footprints to outdoor terraces, rooftops, and pop-up locations. Kibarro was designed to bring the same refinement and performance beyond the walls and provide the infrastructure needed to maintain premium service levels in any settings.

Built on Trust. Driven by Excellence.

Engineered to last. Designed to belong.

01 Ethyl Fab

Sold material through and through. Waterproof and UV protected for indoor and outdoor use. Many color finishes available.

02 Hidden Hardware

Clean visible surfaces – fasteners and joinery are concealed. Mortise-and-tenon construction throughout.

03 Steel Undermount Support

Undermount frames provide rigid, lightweight support without adding visual weight.
