Tailor-made Solutions

Allegrini's research and development team of technicians studies and personalizes the most ideal formulations and fragrances, based on the location, style and needs of each hotel.

We strive to offer hotel guests a complete range of products rich with the best active ingredients to provide them with a truly memorable olfactory experience.

From personalized labels to custom packaging, we help brands enhance the customer experience. Our innovative creative team, well-versed in the latest trends in fashion, design and cosmetics, works with four silk-screen printing lines at their disposal.

The Next Wave of Eco Wellness

Introducing DPlanet, a plastic-free, solid cosmetics line that lives in harmony with humankind and the environment — uniquely formulated to provide a sustainable, eco-friendly solution for hotel hospitality.

Water-Free
Smaller, lighter, and less energy-intensive to transport, DPlanet preserves water, one of earth’s most vital resources.

Preservatives-Free
An ethical, vegan, skin-tested product with natural ingredients and oils, DPlanet is suited for sensitive skin.

Plastic-Free
Wrapped in recyclable paper with zero plastic, DPlanet delivers on its promise, “Do not disturb the Planet.”

DPlanet

A revolution in hotel amenities in the shape of a drop, softly and gently purifying the body while preserving the planet.

How to use DPlanet

Crumble the solid bar in your hand and add water.

Scrub it between your hands to create a creamy foam.

Use the foam and wash it away with water.
